

Optical Policies

All lens warranties are specific to the type of anti-reflective coating that you purchase. Crizal anti-reflective coatings are Premium anti-reflective coating that are warranted two times within two years of the original date of purchase. Any lenses without anti-reflective coating have a one time, one year from the original date of purchase, scratch warranty.

Doctors remakes/Non-adapts/Lens Change are done at no charge within 90 days of original order. Original lenses must be returned.

Poole Eye Associates honors all frame manufacturer guarantees against manufacturer defects up to one year from the original date of purchase. Defective frames must be returned to receive a frame under warranty.

There are no refunds for non-adapts changing frame and lens style. All remake policies are covered under the original job entry lens style.
